S. M. Enterprise

<https://www.smheater.com/>

We are manufacturers & suppliers of dependable **heating equipment**, which are widely required for various processes in diverse industrial applications. We are an established manufacturer of quality engineered heaters.

About Us

Established in the year **1983**, we **S. M. Enterprise** are a reliable name in the sphere of manufacturing, supplying and exporting of Band Heaters, Coil Heaters & Cartridge Heaters. Our products have been carefully developed after a thorough analysis of the requirements of various industries we cater.

We have incorporated the latest manufacturing technologies that help us in making energy saving and high output / efficiency products. The market credential we enjoy today is the result of our persistent and hard work done under the guidance of our professional technicians. Further, our valuable experience of more than 18 years has augmented our skills, which enable us to source our clients with utmost ease and efficiency. We offer only those products, which adheres to our strict quality parameters. Our just in time conviction has led us to shorten the lead times involved in delivering the products.

We also make sure that with our time bound deliveries we do not compromise in any way on quality. We have directed our approach towards self-development and stability and with the help of these two factors, we strive to be at the pinnacle of success. Our exporting countries are **Africa, South Africa, Italy. Middle East & Sri Lanka.**

COIL HEATERS

Nozzle Coil Heater

Coil Heater For Plastic Injection Molding Machine

Heating Coils

Micro Coil Heaters

NOZZLE HEATERS

Band Heater

High Performance Nozzle Heater

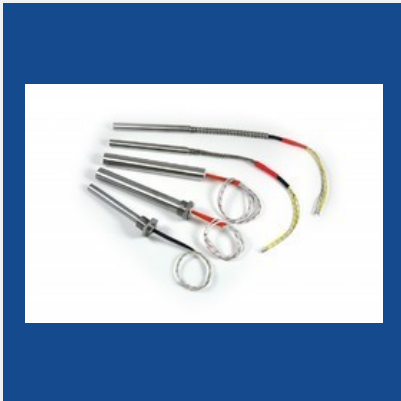

Nozzle Heater

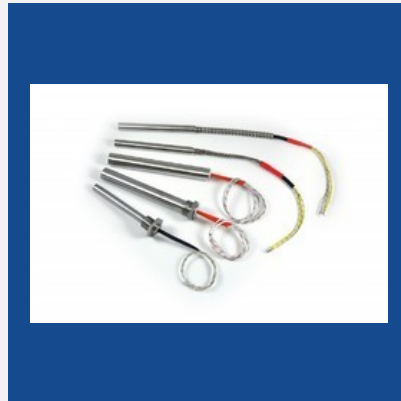

Sealed Nozzle Heaters

CARTRIDGE HEATERS

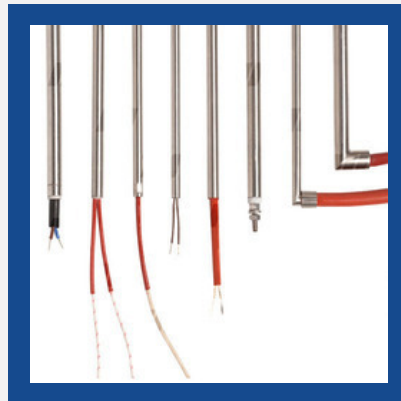

Cartridge Heating Element

High Density Cartridge Heaters

Low Density Cartridge Heaters

Low Watt Density Cartridge Heater

BAND HEATERS

Mica Insulated Barrel Band Heater

Energy Saver Band Heaters

Stainless Steel Sheath Electric Nozzle Band Heaters

Ceramic Band Heaters

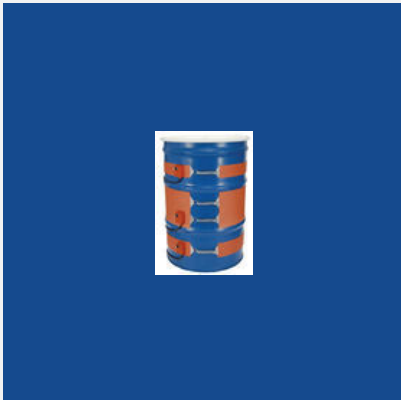

DRUM HEATERS

Drum Heaters

Full Drum Heaters

Drum Heater with with Adjustable Thermostat

Base Drum Heater

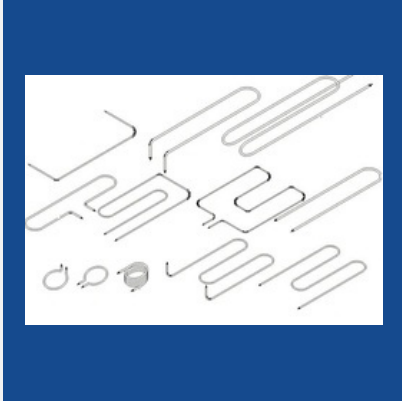

TUBULAR HEATERS

Finned Heaters

Customized Stainless Steel Tubular Heater

Tubular Heating Elements

U Type Heater

IMMERSION AND CIRCULATION HEATERS

Industrial Immersion Heater

Screw Plug Immersion Heaters

Water Immersion Heaters

Flanged Heaters

INFRARED HEATERS

Shortwave Infrared Heaters

Ceramic Infrared Heaters

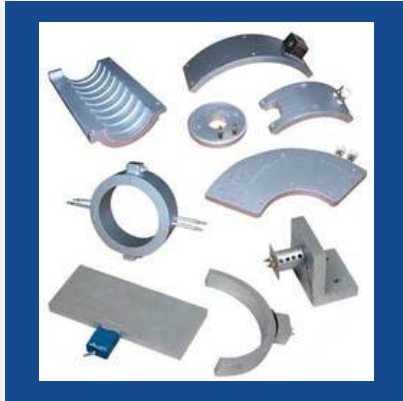

Infra Red Heaters

Quartz Infrared Heaters

CAST HEATERS

Aluminum Cast Heaters

Cast Heaters

Industrial Plastics Injection
Molding Cast Aluminum
Heater

AIR HEATERS

Dryer Heater

Process Air Heaters

Air Heater With Fins

Fin Heating Element

INDUSTRIAL HEATER

Corrugation Machine Heater

Enameling Heater

Industrial Electric Heaters

Washing Machine Heater

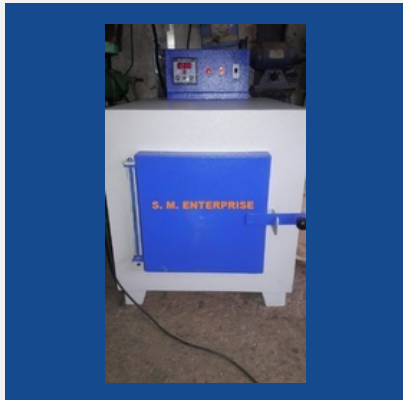

OVENS AND DRYERS

Industrial Ovens

Hot Air Oven

Muffle Furnace

Curing Oven

CARTRIDGE TYPE HEATER

Ceramic Heating Element

Porcelain Heating Element

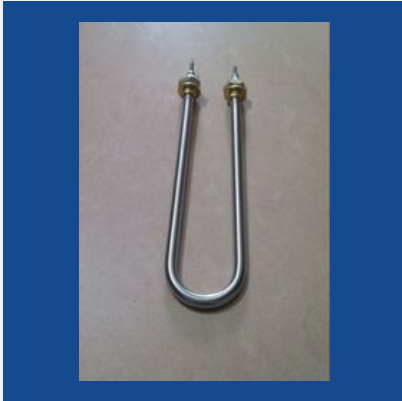

Bobbin Immersion Heater

Ceramic Element

HEATING ELEMENT

U Shape Heater

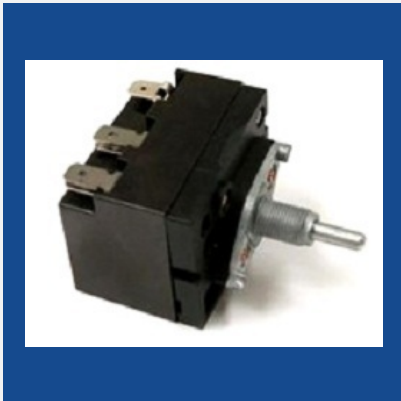

Ceramic Porcelain Cartridge Heaters

Electric Heating Elements

ENERGY REGULATORS

Energy Regulators

Energy Regulators

Infinite Control Regulators

THERMOCOUPLES AND SENSORS

Thermocouple and Sensors

K Type Thermocouples

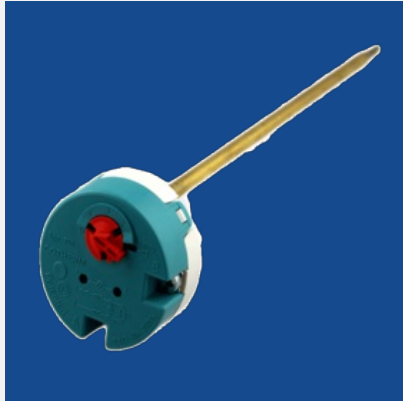

J Type Thermocouples

Spring Loaded Adjustable Thermocouples

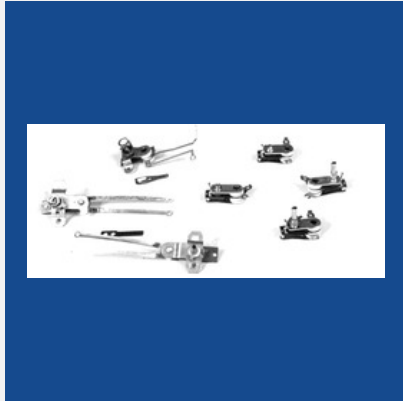

STEM AND CAPILLARY THERMOSTAT

Stem Thermostats

Capillary Thermostats

Snap Thermostats

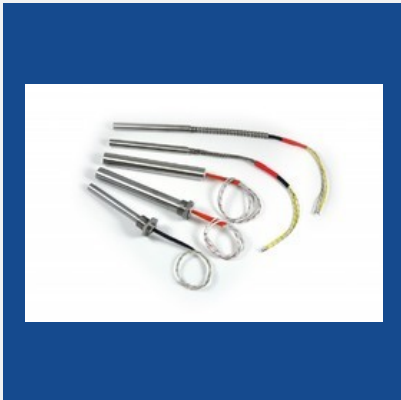

OTHER PRODUCTS:

Hot Runner Mold Heaters

SS Nozzle Heaters

Pencil Cartridge Heater with
Stainless Steel

Round Mica Band Heater

OTHER PRODUCTS:

Flexible Drum Heaters

Hopper Heaters

Explosion Proof Heater

Hot Air Blowers

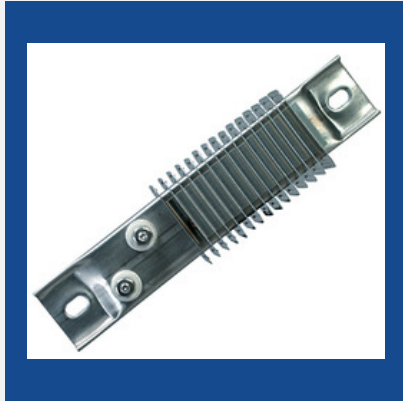

OTHER PRODUCTS:

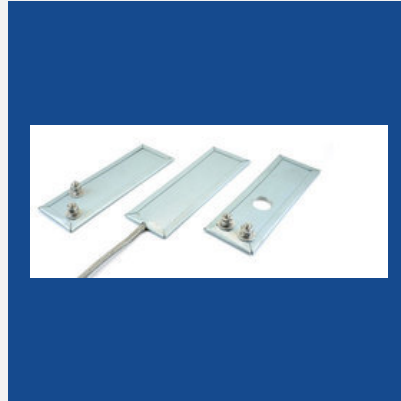

Heat Blower

Air Duct Heaters

Finned Strip Heaters

Strip Heaters

OTHER PRODUCTS:

Corrugation Heater

Manifold Heaters

Hot Runner Manifold Heaters

Coil Heaters for Electronic Industries

Factsheet

Year of Establishment : 1982

Nature of Business : Manufacturer

Total Number of Employees : 11 to 25 People
